

Street Life Soccer: FA Level 1 Success

With twenty weeks already completed Street Life Soccer in Great Yarmouth has enjoyed many successes. For three of our participants this has included achieving their Level 1 FA Coaching qualification.

Over a week in July: Matt, Steve and Shane from Great Yarmouth attended the training at Carrow Road in Norwich. Each day provided an overview of practical coaching drill, laws of the game and safety, leading to a final assessment.

The lads travel was arranged through Brenden Hardy of Voluntary Norfolk.

According to Shane from Bauleah House, Great Yarmouth:

“The course was awesome. It was a brilliant opportunity to get an FA qualification. I loved it”.
